## Bushmans Delivery Areas and Free Delivery Zones

Bushmans Tanks provides a delivery and tank siting service which ensures your new tank is delivered in first class condition and the final fit out is completed so the tank is ready to fill with water.

### *Delivery Location*

When you purchase a Bushmans Tank you will be asked when you require the tank and what location the tank is to be delivered to.

Bushmans Tanks delivers directly from our manufacturing facilities located in;

- Dalby, Queensland
- Orange, New South Wales
- Terang, Victoria
- Cavan, South Australia

Bushmans offers **free delivery** to those areas closer to our factory sites and a delivery charge applies to areas further away.

Bushmans has 3 Delivery Zones:

**Delivery Zone 1 – Green**

**Delivery Zone 2 – Blue**

**Delivery Zone 3 – Brown**

The Australia map below outlines the delivery zones.

### *Delivery Times*

Bushmans generally delivers a new tank within 2-3 weeks of an order being placed.
