9. Repair work is undertaken at ground level and may be undertaken by BUSHMANS personnel or, at BUSHMANS' option, a qualified third party repairer it nominates. Tanks that are located on stands must be brought down to ground level before BUSHMANS can commence replacement or repair work. The Customer will be responsible for all costs and expenses associated with bringing tanks down from stands or digging them out of the ground for replacement or repair work. The Customer will be responsible for all landscaping, plumbing and electrical works and the costs of lifting equipment and additional labour hire for any repair or replacements.

BUSHMANS will not be liable for any damage or loss in the course of delivery.
11. This Guarantee applies to BUSHMANS tank products replaced or repaired under this Guarantee in accordance with the provisions of this Guarantee for the remainder of the original Guarantee period or 3 months from the date of replacement or completion of the repair, whichever is later.
