

CALCULATED CAPACITY: 1060 Litres

**IMPORTANT NOTES TO READ...!!!**

- **1 PERSON + DRIVER REQUIRED TO HANDLE TANK.**
- Drawing shows all available outlet & overflow positions. Standard installations have only 1 outlet & 1 overflow. Please refer to 'Easy 6 Step Tank Installation Guide' for instruction to install accessories.
- All dimensions are in Metres and rounded to the nearest Centimetre.
- Capacities & measurements are tested in accordance with AS4766, but may vary due to roto-moulding process.
- Bushmans recommends top and sides clearance of 100mm minimum when estimating space required for tank.
